

EL-B Talk Grammar Boost: Questions & Conversation Starters

Speak naturally and keep conversations flowing.

¿Por qué son importantes las preguntas?

THE POWER OF INQUIRY

Questions are the **heart of communication**. Without them, conversation is a monologue.

Why focus on questions?

- They **drive** conversation forward.
- They help you **connect** with others.
- Good questions build **confidence** and fluency.

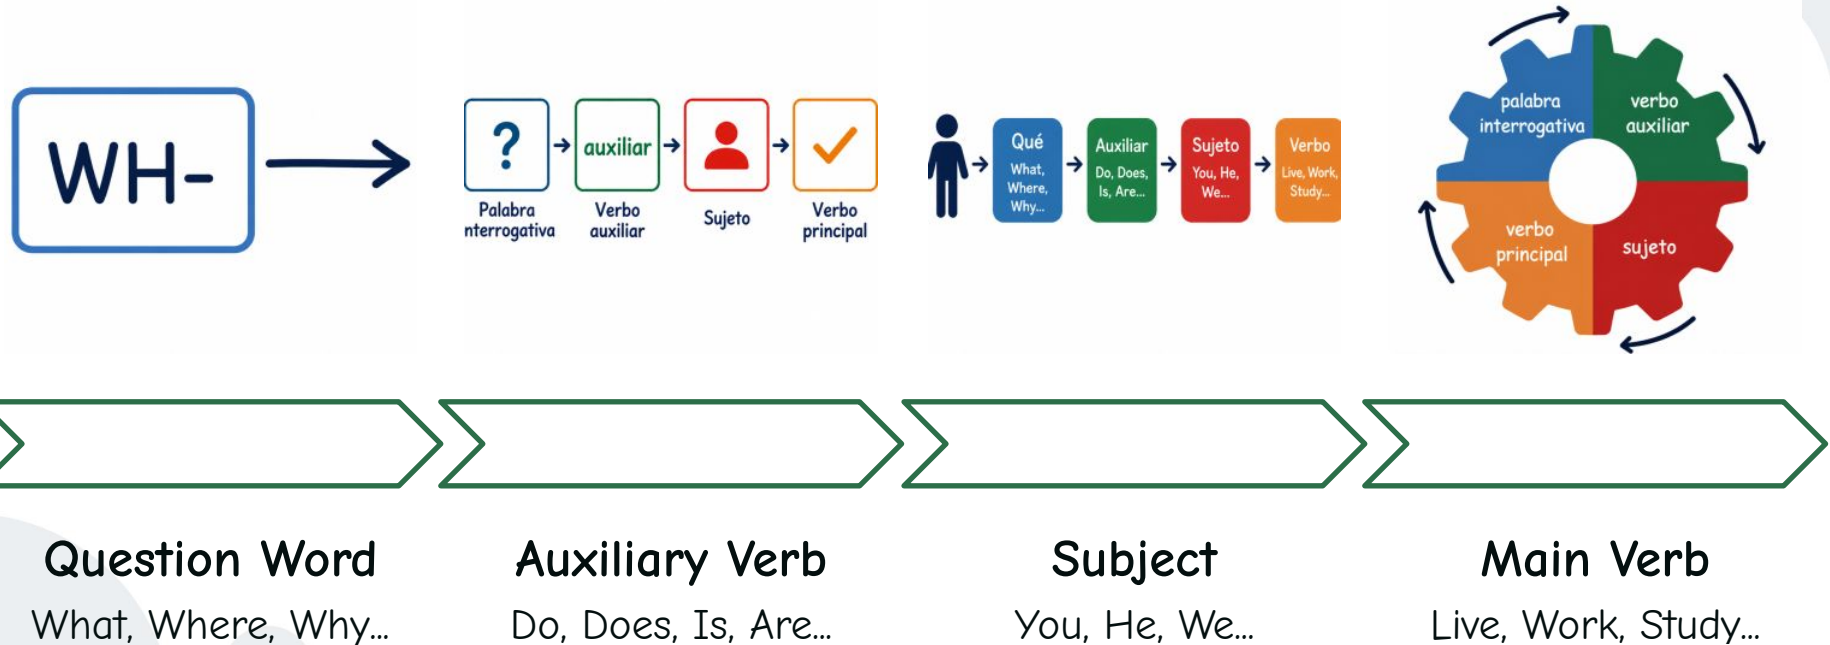

Key point

Mastering question structure gives you control over any social or business situation.

Word Order: The Golden Rule

In English, word order is strict. Use the **QUASM** method to remember the structure:

Common Question Words

VOCABULARY

Choose the right tool for the job:

- **What:** Objects/Actions (*What do you do?*)
- **Where:** Places (*Where is the office?*)
- **Who:** People (*Who is your manager?*)
- **How:** Manner/Process (*How do you travel?*)
- **Which:** Choices (*Which option is better?*)

Remember

'How often' is used for frequency, and 'How long' for duration.

Unscramble the Question

Put the words in the correct order for a common question:

do

live?

you

Where

Unscramble the Question

Put the words in the correct order for a common question:

Where

1.

do

2.

you

3.

live?

4.

Social Conversation Starters

Use these natural phrases to keep conversations flowing.

The Basics - What do you enjoy doing in your free time?

Future Plans - What are your plans for this year?

Personal Growth - What would you like to improve?

Business English Context

WORKPLACE COMMUNICATION

In a professional environment, questions are essential for **networking** and project management.

In business, the one who asks the questions is the one in control.

Try these:

- What projects are you working on?
- What challenges do you face at work?
- How often do you meet clients?

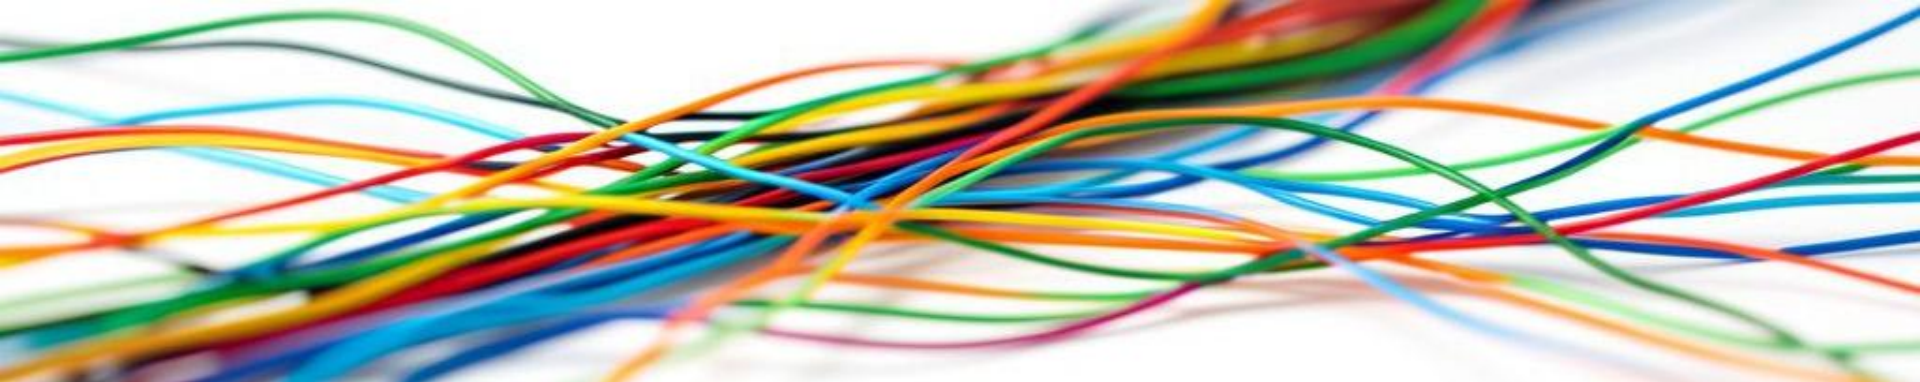

Speaking Challenge: The Interview

Interview your partner!

Use the structures we learned to ask 5 different questions. Focus on a mix of social and work topics.

- Write down their answers.
- Ask 'Why?' or 'Tell me more' to keep them talking.

EL-B Talk Tip

Priorities in Learning

Don't focus on **perfect grammar**. Focus on **meaningful communication**. It is better to ask a question with a small mistake than to stay silent.

Fun fact

Native speakers care more about understanding you than they do about your verb tenses!
